The HERITAGE | A Legacy of Taste since 1944

Agapitos was founded in 1944 by Agapitos Valogiorgis, whose passion and unique recipes turned his shop in the heart of Thessaloniki into a beloved destination for locals and travelers alike. His creations stood out for their exceptional taste, elegance and craftsmanship.

AGAPITOS
THESSALONIKI 1944

More than 82 years later, we continue to honor his legacy with the same dedication, using only the finest natural ingredients and staying true to his timeless recipes. Every bite of Agapitos Chocolates carries a story, a rich tradition of love, quality and authentic chocolate artistry.

PRIDE AND PASSION | Where Tradition Meets Creativity

Chocolate has always been more than a craft to me. It is a feeling, a memory, a part of who I am. From a young age, watching our chefs create delicate pastries and chocolates, I fell in love with the magic behind every creation. Today, at Agapitos, that love is poured into every piece we make, combining time-honored tradition with the finest ingredients from around the world.

S O K O L A T A
AGAPITOS 1944

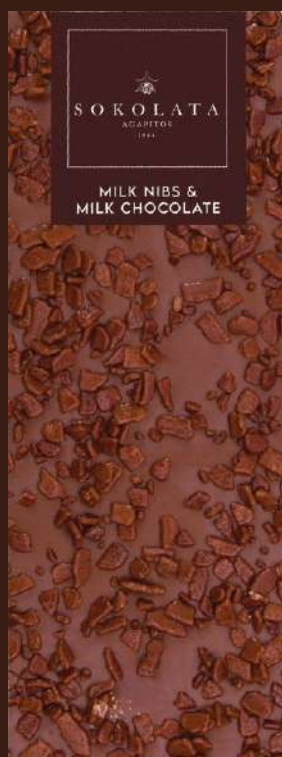

We honor our heritage deeply, while always seeking new ways to create flavors that surprise and inspire. Guided by my grandfather's vision - with Maria & Afroditi carrying the torch as the 4th generation - we move forward with passion, care and an uncompromising dedication to quality, keeping alive not just a tradition, but a true love for chocolate!

General Information

PRODUCT CARE & STORAGE

Always store chocolate products in a cool and dry place, away from a heat source or direct light, with a consistent temperature between 15-20 degrees Celsius or 59-68 degrees Fahrenheit and less than 65% relative humidity. Keep your chocolates away from strong odors as they may absorb the odor and be negatively impacted by it. It is best not to refrigerate chocolates.

Due to our short lead times and limited quantities of seasonal items, we may not always have the products ordered in stock. We apologize for any inconvenience that this may cause to our customers.

MINIMUM ORDER

Our minimum order value is 200 euros for Greece and 500 euros for the rest of the world (before taxes and shipping, where applicable).
